

BLIND WILL HEAR UNUSUAL PROGRAM

Several Good Numbers Arranged
for Library of Congress
Next Week.

Next week's program for the voluntary readings and music in the reading room for the blind at the Library of Congress includes several good numbers. At the Tuesday session Miss Lillian Whiting will speak on "Life Transfigured." The meeting will be a song, violin,

and piano recital, which will be participated in by Miss Ruth Avery Hayes, soprano; Daniel Breeskin, violinist, and Charles H. Fisher, pianist. On Saturday Prof. W. J. Colville will speak on "What is Genius? How Are Geniuses Inspired?" The programs will be rendered between the hours of 2:30 and 3:30 p. m.

MULE STOPS CAR.

YORK, Pa., Dec. 4.—A bulky mule which Milton Fisher, a Green Hill farmer, was riding through the city, planted itself on the trolley tracks as a car was approaching, and the car hit it and Fisher was thrown twenty feet and badly hurt. The mule seemed unruffled.

Mr. and Mrs. Homeseeker:

We want you to carefully compare these houses with others. Aside from the superior construction and workmanship, as well as the quality of material used, we call especial attention to the following important advantages and extras in these houses: Both FRONT and rear entrances to the cellar; A SHOWER BATH; ELECTRIC LIGHTING (besides gas) used throughout; attractive lighting fixtures; ELECTRIC LIGHTS IN THE CLOSETS; a two-story back porch; Holland window shades on all windows; gas logs in parlor; the bathroom is tiled and unusually well fitted up with bar towel racks and nickel-plated hooks; a linen and medicine closet also in the bathroom. WITH ONE MAN TO BACK IT UP

Will Lead to the Independence of Home Ownership
In This \$3,750 Home.

With actually less obligation than what is found under the terms of a rent agreement. A rent agreement offers you nothing—it works and reads in favor of the landlord.

Here you are offered a better home than you can rent and a SYSTEMATIC CONTROL OVER YOUR EARNINGS.

NOTE THIS: We have made some very broad assertions about how the salaried man can buy this home.

We are going a step further, because we are right, and have proved it. Further, we have a home value here that has never been equaled in the Northwest.

PROOF—60 SOLD

If we could bring this home down to your front door, compare it with what you are paying rent for and compare the cost of living in the two places, you would get out \$300, and Buy It Quick.

But this is impossible. You have to come or let us take you out.

In any event, it's well worth sixty minutes of your time to investigate how you can improve your surroundings and at the same time get the all essential control over your earning capacity.
